

SETON CATHOLIC PREPARATORY HIGH SCHOOL

Consent Form for Transportation of Sentinels - 2017-18 Activities/Sports Participation

The Catholic Diocese of Phoenix "Policy on Sexual Misconduct" provides, in part, that "field trips or other outings involving a Diocesan student in places and situations where no other responsible adults are present..." are to be avoided. The directive of this provision requires that two adults (one of whom has successfully completed the Diocesan Called-To-Protect-CTP program) should always accompany and transport Seton Catholic students to and from all school-sponsored activities.

Because of the limited number of participants in various activities, practices and/or contests at Seton Catholic High School and the time of day in which the activities, practices and/or contests will occur, it may not always be possible to have two adults (one of whom has completed the CTP program) occupying each vehicle transporting Sentinels to and from those activities, practices and/or contests. **Likewise, it may not be possible or practical to have adults drive all Sentinels to activities, practices and/or contests. Therefore Sentinels will be permitted to drive only themselves and siblings to and from activities, practices and/or contests.** _____ (initial)

The Diocese permits exceptions to this policy only upon a showing by Seton Catholic Preparatory High School that:

- 1) Seton Catholic High School has made reasonable efforts to have two adults (one of whom has completed the CTP program) present in such vehicles, but without success; and
- 2) a parent/guardian of any CTP on Catholic Sentinel participating in such program has consented in writing with notarization in order to allow such student to be transported in another manner.

I, _____ (name of parent/guardian), parent/guardian of _____ (Seton Catholic student/my child) give permission for the transportation for my child for all SCPHS activity program participation during the 2017-18 school year by selecting one of the two options described below. Regardless of the option I choose, I agree that I will be solely responsible to determine if the driver of the vehicle transporting my child is legally able to drive and that the vehicle transporting my child has adequate auto insurance coverage. I understand that I must complete all required information, select the option for transporting my child, sign the document, date the document, and fulfill notarization requirements before this document may be accepted by Seton Catholic Preparatory.

(1) CONSENT OF PARENT/GUARDIAN TO ALLOW FOR EXCEPTION TO POLICY

I hereby consent for my child (named above) to travel to and from all activities, practices and/or contests in a vehicle driven by one adult (who has completed the CTP program). I further acknowledge that I have instructed my child to occupy only the rear seat(s) of such vehicle when traveling as a passenger. I agree that if I wish to revoke this consent I will do so in writing and deliver such revocation to Mrs. Patricia Collins, Seton Catholic Preparatory High School Principal.

(2) ASSUMPTION OF TRANSPORTATION RESPONSIBILITY

I or another parent/guardian of the child (named above) will solely provide transportation to and from the activities, practices and/or contests.

Furthermore, I give permission for my child (named above) to travel with any of the following adult drivers to and from practice and contests.
